Music 1010 Song Form Practice

**One Dance**

Drake

Baby I like your style :03

Grips on your legs  
Front way, back way  
You know that I don't play  
Streets not safe  
But I never run away  
Even when I'm away  
OT, OT is never much love when we go OT  
I pray to make it back in one piece  
I pray, I pray

That's why I need a one dance :28  
Got the Hennessy in my hand  
One more time 'fore I go  
I have powers taking ahold on me  
I need a one dance  
Got the Hennessy in my hand  
One more time 'fore I go  
I have powers taking ahold on me

Baby I like your style :49

Strength and guidance :57  
All that I'm wishing for my friends  
Nobody makes it from my ends  
I had to bust up the silence  
You know you gotta stick by me  
Soon as you see the text, reply me  
I don't wanna spend time fighting  
We've got no time

And that's why I need a one dance 1:16  
Got the Hennessy in my hand  
One more time 'fore I go  
I have powers taking ahold on me  
I need a one dance  
Got the Hennessy in my hand  
One more time 'fore I go  
I have powers taking ahold on me

I need to know where do you wanna go 1:56  
Cause if you're down, I'll take it slow  
Make you lose control  
Where, where, where  
Cause if you're down

I need a one dance 2:29  
Got the Hennessy in my hand  
One more time 'fore I go  
I have powers taking ahold on me  
I need a one dance  
Got the Hennessy in my hand  
One more time 'fore I go  
I have powers taking ahold on me
